

Paris, Santiago de Chile, 13th September 2018

Aicrag and World of Sales join forces to develop trade between Chile and France.

Aicrag and World of Sales have signed a partnership to support their customers international sales development in France and in Chile.

Aicrag and World of Sales want to contribute to develop trade between Chile and France, since French companies have exported for 975 M Euros to Chile in 2017, while their counterparts from Chile have exported for 1089 M euros in 2017 (source France Diplomatie).

Aicrag and World of Sales will provide exporters with specialized services, local presence & coverage, as well also market knowledge to develop their global business.
